

# 11th Young Set Theory Workshop

Lausanne, June 25-29, 2018

Fill in this form to apply for registration for the 11th Young Set Theory Workshop, Lausanne, June 25-29, 2018. Your registration will not be confirmed until you provide a presentation letter and receive a confirmation email asserting that you are formally registered. Registrations close either after reaching 65 applications or at the 31st of March. If you have not uploaded a presentation by that time your application will be canceled. Once we reach the maximum of applications a waiting list will be set up in case some openings become available.

No registration fee is required.

We ask the participants to arrange and cover the expenses for the travel and accommodation relative to their stay.
